## **New Media Designer-Program Development- One Year Term**

Enform, the oil and gas safety association for British Columbia, Alberta and Saskatchewan, provides the essential safety and training services needed by the Canadian petroleum industry. With industry funding and direction, and more than 50 years of experience, Enform enables its customers to reach the highest standards of safety, efficiency, and environmental compliance. For more information about Enform, please visit [www.enform.ca](http://www.enform.ca).

### **Job Overview:**

The Program Development team is seeking a **New Media Designer** to fill a one year term position from March 22, 2010 to March 31, 2011. This position is responsible for designing and constructing educational media, web pages, sites and applications, including the use of graphic user interface (GUI) features and other techniques. This position works directly with instructional designers, Subject Matter Experts and IT professionals to produce and integrate media. Requiring familiarity with the field's concepts, procedures and practices, the successful candidate will rely on extensive experience and judgement to plan and accomplish goals. Typically reporting to Program Development management, this role is based out of the Calgary office.

### **Working Essentials:**

- At least 7 years of working experience in graphic design and or media development
- A degree or diploma in computer science, or other comparable education considered.
- 3 years experience with HTML and CSS required
- Demonstrated skill with Adobe Flash Action Script ( object oriented programming) and working knowledge of Adobe Creative Suite
- 2 years experience with digital photography and visual design concepts
- Working knowledge of LMS systems (Moodle, Web CT, etc) is highly preferred
- Database design knowledge (FileMaker Pro) is an asset

Enform offers a competitive salary and benefits package. Qualified candidates are asked to submit resume and cover letter by email to [careers@enform.ca](mailto:careers@enform.ca) quoting **Competition J79**. Submissions should be in MS Word or PDF formats.

Enform thanks all applicants for their interest, however, only those selected for interview will be contacted.
